**Subject:** FW: Post Public Notice for Public Hearing and Comments - December 12, 2019 - February 4, 2020

Notice from Sherry that she posted the documents. This is saved in Kampachi Farms – Velella Epsilon > Public Notice Documents > Second Public Notice – Public hearing.

Also saved there is an email titled “Screenshots and files from the EPA webpage”. That email contains screenshots of the EPA website and the documents I downloaded from the site. I did this to make a record showing that the site was active and the links were working.
